IMPORTANT ! - There is a need for photos from Eastern Oregon and Southeastern Washington - basically from The Dalles to John Day to Baker City, Union, Baker, and Wallowa Counties in Oregon and to the tri-cities, Moses Lake, Steptoe Butte area, Walla Walla, and Lewiston/ Clarkston area - which can be used with the music from the Wallowa County Chorale, the Inland Northwest Musicians, and the Willow Creek Singers.

The following is a suggested list but you are not limited to these categories:

- * Scenic - Eastern Oregon and Southeast Washington
- * Animals
- * Floral
- * Religious themes - Churches, church windows, people, closeups, inspirational, etc.
- * People - emotions, happy, moody, thoughtful (shots where people are not looking directly at the camera.)
- * Creative shots
- * Closeups
- * Weather, daylight, evening, morning
- * Families - having fun, interacting

We are also planning on using video clips so please include anything appropriate for this project. Model and property releases are necessary since we will be offering the DVD for sale. If you wish to edit your photos, please do so, but, above all, **DO NOT SHARPEN**. Photos that have been sharpened are unusable in the DVD project.

Turn in photos to Linda Casady at Crestview Cable by **September 15**, or call Linda Bauck (886-3471), Linda Eytchison (432-6019) or Frances Buckles (432-5040) to arrange pickup or for other information.

Picnic -

The August picnic was just that - a

picnic. The food was provided by the club, and there were sandwiches, side dishes, and desserts to boggle the mind. And a lot of members and their families showed up at the park to enjoy a lovely day. Scavenger hunters were active from that morning until late that night - or on another day of their choosing and the results will be shown at the September 16 meeting. The Mug Shot was NOT taken at the picnic and a new date will be announced.

September 16 meeting - Scavenger Hunt photos. Rick McKuen gave an excellent presentation at the Brainstorming Meeting on techniques and equipment, Wildlife vs. Scenic techniques, perspective, art and Composition. Those who missed it, missed a real treat.
